

Mohamed Hussein Mohassab

34 El Nozha Street, Sheikh Zayed, Cairo, Egypt

Email: eng.mohamedhessuin@gmail.com

Mobile: +201019100324

Objective:

Seeking a progressive Job opportunity in the field of Software Engineering where I can improve my skills

Personal information:

Gender: Male

Marital Status: Single

Date of Birth: 22/07/1998

Nationality: Egyptian

Mobile: +2 01019100324

Email: eng.mohamedhessuin@gmail.com

Education:

- **Cairo University, Faculty of Computers & Information** 2017 – 2020
 - GPA: 3.3
 - Major: Software Engineering

Expreience:

- **Egyptian parliament information center** 2020
 - Internship
 - Complete 40 hours training as front end developer

Technical Skills:

- Programming using different languages (C++,C#,java, Python,Assembly,prolog)
- Database concepts and tools(Microsoft SQL Server)
- .Net framework(.Net,.Net core)
- OOP(concepts,techniques,principles,analysis and design)
- Well understood to design patterns
- knowledge of Algorithms and Data structure
- knowledge of testing technics(white and black box)
- HML,CSS and bootstrap
- Vanilla Javascript and dealing with external APIs
- React js and Redux
- GSAP,Scrollmagic and Barba Js
- knowledge about neural networks and AI applications
- Github (my github : <https://github.com/mohamedHessuin>)

University Core courses:

- Courses specializing in software engineering courses, Design patterns, Networks, Software testing, Software architecture, computer architecture, Software requirements, Database systems, Operating system, Logic design, Object oriented, Data structure, Algorithms and Artificial intelligence
